See Game Rules on back >>>

| FORMAT | GAME RULES |
|--------------------------------------|--|
| Quick Refresher Lesson | Margarita & Tacos welcome night! |
| Beat the Pro Scramble | Regular scramble format. Someone from Proshop will join you on a hole. If your team beats the Pro's score on that hole, you win a prize! |
| Trouble Night | Count 1 point for every time you go in the trees, sand or water, or take 3 putts or more. Prizes for most points, 2nd most, least points and 2nd least. |
| Golf for the Cure Pink Ball Scramble | On 8 holes, 3 people scramble while 1 person plays the pink ball. Add the 2 scores together for each hole (6 + 4 = 10). Each person will play the pink ball for 2 holes. On Hole #9, everyone scrambles for 1 score. Come in with the pink ball for scores to count! |
| Int'l Women's Golf Scramble | Regular scramble format. Brian will be serving up Margaritas to celebrate women's golf. |
| You're It! | Play your own ball. One person is "it" on each hole. Add the score of who's "it" to the best score from the other players to give the team score per hole. Everyone is it twice + one person is it 3 times. |
| 18 Hole Scramble | Regular scramble. For \$20 (per team) buy a length of string to use instead of counting a putt. For teams with avg. 9-hole score over 55 you get 10 ft of string. For teams with an avg score under 55 you get 5 ft of string. |
| Team Combined Score | Play your own ball each hole: drop the high score on each hole and add together the other scores for each hole. |
| Cha Cha Cha | Play your own ball. On Par 5's only the best score is recorded (Cha) On Par 4's take the two best scores & add together (Cha Cha) On Par 3's take the three best scores & add together (Cha Cha Cha). |
| 18 Hole Scramble | Players with handicap 25 or lower play from the white tees. Players with handicap 26+ play from the green tees. |
| Mulligan Night | Play your own ball. You can use 1 Mulligan per hole, but choose wisely as you must continue play from your mulligan shot. (Un-used mulligans do not carry over to next hole!) |
| Tombstone | Please call by Tuesday noon to book Tee-Times. Individual play, each player receives a flag with max. stroke number. When you've hit your max stroke number you place your flag in the ground. Mark on your card what hole your flag went in. Continue play to finish 9 holes. |
| Step-Aside Scramble | The player with the best drive steps aside and does not play rest of the hole. On the next shot, the player with the best shot steps aside and does not play the rest of the hole and so on. Once only 1 player remains, she plays out the rest of the hole. |
| Cha Cha Cha | Play your own ball. On Par 5's only the best score is recorded (Cha) On Par 4's take the two best scores & add together (Cha Cha) On Par 3's take the three best scores & add together (Cha Cha Cha). |
| Iron Matches the Hole | Regular golf holes 1-3. For holes 4-9, use only the iron/hybrid that matches the hole until you reach the green. (ie. Use your 7 iron for every shot until the green on Hole 7. No 4 iron? Use a 5 iron/hybrid.) |
| Team Combined Score | Play your own ball each hole: drop the high score on each hole and add together the other scores for each hole. |
| Bingo/Bango/Bongo | You are playing against the other people in your group. You get a point for long drive (not Par 3's), first on the green, closest to the hole and first in. Prizes for most points in each group. |
| Scramble +1 | On 8 holes, 3 people scramble while 1 person plays her own ball. Add the 2 scores together for each hole (6 + 4 = 10). Each person will play her own ball twice. On Hole #9, everyone scrambles for 1 score. |
| Trouble Night | Count 1 point for every time you go in the trees, sand or water, or take 3 putts or more. Prizes for most points, 2nd most, least points and 2nd least. |
| Final Night Scramble | KP's, long and short drives, long putt, in the sand, in the water. |
