

Community Members, Business Associates and Friends

Thank you for taking the time to be a part of the Gilwood Golf Community and the Slave Lake Region. As the only golf course located in the region, Gilwood takes pride in being able to offer a well maintained and enjoyable facility that welcomes everyone to enjoy what we have to offer. As a golf course we are proud to host upwards of 20,000 rounds annually and are always looking for ways to increase our participation levels.

This amount of traffic does present many opportunities for our local community to be a part of our experience by displaying their brands as part of our experience. Attached to this letter is an opportunity brochure that explores the advertising packages we have identified for the 2023 season.

If you have any questions about any package or would like to discuss any other ideas that you may have please contact me personally and I would be more than happy to make sure we can tailor a package that best showcases what you and your business have to offer. I am available at any time to discuss with you and look forward to developing and maintaining a long-lasting partnership.

Thank you for choosing Gilwood Golf and Country club,
